SAN CLEMENTE, CA, October 01, 2014 /**24-7PressRelease**/ -- QPC Fiber Optic is pleased to announce their partnership with HM Technical Sales, expanding sales coverage nationally for Military, Aerospace, and Defense customers. QPC's line of ruggedized fiber optic connectors and assemblies compliments HM Technical Sales' line card of electronic, thermal, and enclosure products and components. When working with one of HM Technical Sales' experienced Sales Engineers, customers will benefit from "one stop shopping" for their advanced system designs.

In addition to offering standard product lines, QPC Fiber Optic and HM Technical Sales are focused on developing custom engineered solutions to solve the rapidly evolving fiber optic challenges that customers face. "We are excited to team up with a professional and customer centric technical sales organization that shares QPC's philosophy of exceptional service." said Karsten Grubert, Technical Sales & Product Manager at QPC Fiber Optic.

About QPC Fiber Optic, Inc.QPC is a woman-owned small business specializing in fiber optic connectors, cable assemblies, hardware, and custom engineered products located in San Clemente, California.
