### **Save money and create your video projects — just like the professionals**

Edgemont Video, the leading provider of multi camera systems and video editing solutions, has a special discount sale for the new Adobe CS6 Production Premium Software. They are offering \$499.00 off the regular price of \$1,799.00, for a limited time only.

The new Adobe CS6 Production Premium is the newest software that comes with new tools, which can help student or amateur filmmakers produce professional-looking film products. There are many new features available from Adobe CS6 Premium Software, like the new editing platform in Adobe Premiere Pro, new Content-Aware tools in Adobe Photoshop Extended, and a faster editing in Adobe Audition. There are also new additions, like the Adobe SpeedGrade, for color grading and finishing and Adobe Prelude, for logging and ingest.

Edgemont Video has the latest filming equipment, editing tools, software solutions and computer hardware, for all your filming needs. They have training and support available for all the software and products that they sell. Edgemont Video also has an Adobe CS6 Switcher Special, where Final Cut Pro and Avid users get 30% off Adobe CS6 Production Premium.

To learn more about the Adobe Production Premium CS6 sale and switcher special, check out their website at [www.edgemontvideo.com](http://www.edgemontvideo.com) . They can be reached by calling their toll- free number 1-800-371-5777, for any questions. You can also like them on Facebook and Google+, to get the latest sale and new product information.

About Edgemont VideoBased in Mountain View, Arizona, Edgemont Video was founded in 1993 by the Doss Family. The company's goal is to provide professional filming equipment and editing solutions for every budget. They have product specialists who can help you find the best products for your filming needs.
