

eRoboMail takes care of the printing and mailing of paper transcripts.

(PRLEAP.COM) NORTHFIELD, IL – Cabrillo College is live with eRoboMail™, the high-speed print and mail service from Credentials Solutions that takes care of the printing, folding, inserting and stamping of paper transcripts. Along with online transcript ordering offering TranscriptsPlus, touch-free processing automation with RoboRegistrar and electronic sending capabilities through TranscriptsNetwork™, Credentials can expedite the transcript ordering and fulfillment process while saving institutions time and money as their resources continue to diminish.

eRoboMail's security paper, tamper-proof envelopes, and copy and thermal protections enhance document security. This service is housed and managed at Credentials Solutions' facility, as nothing is ever outsourced. Transcripts are processed more efficiently and with fewer errors by leveraging state-of-the-art machinery to reduce labor and maintenance costs. eRoboMail allows institutions to redeploy existing staff to concentrate on other student services instead of completing the monotonous tasks of printing transcripts and stuffing and stamping envelopes by hand.

About Credentials Solutions With flagship product TranscriptsPlus® and integrated automation software RoboRegistrar®, Credentials Solutions supports all major SIS platforms while providing online ordering, automated hold checking, integrated student communications with 12x5 customer service, and electronic extraction and delivery including EDI, XML and Secure PDFs. Transcript ExchangePlus™ enables client institutions to send transcripts electronically through Credentials' secure network as well as industry accepted transcript hubs, while integrating with the eRoboMail™ service, which assumes the printing and mailing of paper transcripts. In addition, Credentials also offers ParkingPlus®, which automates parking permit ordering, payment, and fulfillment.
