

eRoboMail streamlines the printing and mailing of paper transcripts.

(PRLEAP.COM) Credentials Solutions has printed its 250,000th transcript with eRoboMail™. As budgets and staffs continue to shrink, [eRoboMail](#) enables institutions to print and mail transcripts more efficiently and allows resources to be redeployed to other mission-critical student services. It also saves money by reducing labor, inventory and printing costs.

With the success of eRoboMail and the continued growth of electronic transcripts, [Credentials Solutions](#) is the recognized market leader for optimizing the entire transcript process, bringing innovative solutions to the marketplace that require minimal effort from institutions to implement on campus.

"The exponential growth of eRoboMail has been truly remarkable. The seamless integration of eRoboMail with our electronic transcript capabilities has lowered the cost of fulfilling orders for our client institutions and allowed them to [optimize transcript delivery](#) ," said Thomas McKechney, CEO of Credentials Solutions. "All these efficiencies are created while materially enhancing the level of service provided to students and alumni."

About Credentials Solutions With flagship product TranscriptsPlus® and integrated automation software RoboRegistrar®, Credentials Solutions supports all major SIS platforms while providing online ordering, automated hold checking and integrated student communications supported by 12 hour per day toll-free customer service. RoboRegistrar also automates the electronic extraction and delivery of all formats of electronic transcripts, as well as the printing and mailing of paper transcripts with eRoboMail™. The turnkey system sends the transcript in the preferred format of the receiving institution. In addition, Credentials also offers ParkingPlus®, which automates parking permit ordering, payment, and fulfillment.
