

Brian Wilson named Credentials Solutions' Nevada Branch Interim Manager

Written by Australian Business

(PRLEAP.COM) Brian Wilson has been appointed the Interim Branch Manager at Credentials' Solutions' Nevada office. Over his 9 years with Credentials, Brian has been involved in many facets of the business and brings a great deal of knowledge and experience to the position. He has been in customer service, supporting both students and institutions and has run print operations. His current role as Sales Director has given him exposure to the marketplace and allowed him to understand the needs of Higher Ed. These experiences equip him to lead Credentials in this new endeavor as Customer Service and eRoboMail™ operations are expanded to Nevada.

"The opening of a branch in Nevada is the product of our continuous growth. Brian is the perfect fit to lead and train the team in Nevada, as he's worn many hats in his time here," said Thomas D. McKechney, CEO of Credentials Solutions.

Added Wilson, "I'm excited by the opportunity to develop our team in Nevada that will be dedicated to customer service and the overall mission of Credentials."

About Credentials Solutions With flagship product TranscriptsPlus® and integrated automation software RoboRegistrar®, Credentials Solutions supports all major SIS platforms while providing online ordering, automated hold checking, integrated student communications with 12x5 customer service, and electronic extraction and delivery including EDI, XML and Secure PDFs. Transcript ExchangePlus™ enables client institutions to send transcripts electronically through Credentials' secure network as well as industry accepted transcript hubs, while integrating with the eRoboMail™ service, which assumes the printing and mailing of paper transcripts. In addition, Credentials also offers ParkingPlus®, which automates parking permit ordering, payment, and fulfillment.
