

Get to know Credentials Solutions.

(PRLEAP.COM) NORTHFIELD, IL – Solano Community College is live with TranscriptsPlus®, the fully-automated online transcript ordering service from Credentials Solutions available to students and alumni 24/7. [TranscriptsPlus](#)

is designed to meet Solano's unique service and fulfillment option requirements, while incorporating school logos and colors into a secure, compliant, and easy-to-use transcript ordering solution. Credentials collects all fees on behalf of the institution in a PCI-DSS compliant environment. TranscriptsPlus works in concert with

[RoboRegistrar](#)

®, which automates back-end processing and optimizes transcript delivery, by facilitating both paper and electronic fulfillment options based on the receiving institutions' preferences.

Students and alumni can have their transcripts sent electronically as EDI through the SPEEDE Server and School-to-School and 3rd Party PDFs through Credentials' TranscriptsNetwork™. Solano Community College has also implemented print and mail service eRoboMail™, which automates the entire print and mail process. Transcripts are printed and mailed from Credentials Solutions' facility securely and efficiently. Features such as security paper, tamper-proof envelopes, and copy and thermal protections ensure document integrity and security. [eRoboMail](#) even accommodates attachments and utilizes Intelligent Mail Barcoding, which allows students to be notified when their transcript is out for delivery.

With the Credentials Solutions' suite of transcript services, Solano Community College saves money by reducing labor, inventory management, and printing costs. Those benefits along with Credentials' industry-leading customer service have allowed Solano Community College to cut expenses and not sacrifice the level of service expected by students and alumni.

About Credentials Solutions With flagship product TranscriptsPlus® and integrated automation software RoboRegistrar®, Credentials Solutions supports all major SIS platforms while providing online ordering, automated hold checking and integrated student communications supported by 12 hour per day toll-free customer service.
