About XRS CorporationXRS Corporation (formerly Xata Corporation) delivers software solutions to the trucking industry to help maintain regulatory compliance and reduce operating costs. XRS is leading the trucking industry's migration to mobile devices for collecting and analyzing compliance and management data. Its mobility-based products have no upfront hardware costs and run on smartphones, tablets and rugged handhelds. XRS has sales and distribution partnerships with the major wireless carriers supporting the U.S. and Canadian trucking industries.

Through XRS' solutions: XataNet, Turnpike, MobileMax and XRS, we are currently serving 112,000 subscriptions through 1,400 customers. Our various solutions help fleet managers, dispatchers and drivers collect, sort, view and analyze data to help lower costs, increase safety, attain compliance with governmental regulations, and improve customer satisfaction.
