Earnings refer to net investment income, which is comprised of the Funds' interest and dividend income, less expenses. Amounts distributed by the Fund may vary from the earnings shown above and will be announced in separate press releases.

Statements in this press release that are not historical facts are forward-looking statements as defined by the United States securities laws. You should exercise caution in interpreting and relying on forward-looking statements because they are subject to uncertainties and other factors which are, in some cases, beyond the Fund's control and could cause actual results to differ materially from those set forth in the forward-looking statements.

An investor should consider a Fund's investment objectives, risks, charges and expenses carefully before investing.
