

Lou Ann Ferguson is recognized by Continental Who's Who as a Pinnacle Professional

Written by Australian Business

LOUDON, Tenn., Oct. 30, 2013 /PRNewswire/ -- Lou Ann Ferguson is recognized by Continental Who's Who as a Pinnacle Professional in the field of Nuclear Energy as a result of her role as Technical Procedure Writer with B and W Technical Services, Y-12

B and W Technical Services, Y-12 provides manufacturing, technical, and scientific expertise to produce components, subassemblies, and quality evaluations to sustain a U.S. nuclear deterrent, reduce the threat from weapons of mass destruction, supply nuclear material to the Naval Reactors Program, and provide solutions to other emerging national security challenges.

In her current position, Lou Ann focuses on procedure writing, review and coordination, document control, quality assurance review in the commercial nuclear field and government facilities.

She specializes in writing and revising production, process and administrative procedures for nuclear processing. Lou Ann has extensive experience in designing and implementing administrative programs to meet regulatory compliance and operational needs for government, nuclear, waste management and commercial clients.

She has taken various business courses throughout her career, and cares for her mother in law in her spare time.
