

## Mobility xChange Summit as Winner of Gold 100 Grand Award

Written by Australian Business

---

Manchester, N.H., Sept. 26, 2013 /PRNewswire-iReach/ -- Trade Show Executive (TSE) announced the winners of the *Gold 100 Grand Awards* September 20th.

The Gold 100 Grand Awards are presented not only to the largest trade shows in terms of verified exhibit space, but include awards across ten different categories saluting exceptional ideas and achievements in show management for shows of all sizes.

The [M6 Mobility xChange Summit](#) produced by [nGage Events](#) was announced the winner for the TSE Grand Award for *"Best Hosted Buyer Program"*.

TSE's Grand Awards are open to events of all sizes, not just large exhibitions. Events considered to be in the forefront of Social Media, Hosted Buyer Programs, Co-Location Strategies, Exhibitions and others are entered regardless of whether or not they are on the Gold 100 roster.

"We are honored to have M6 win the award for Best Hosted Buyer Program." stated Philip McKay, President & CEO of nGage Events. "The goal with all of our hosted events is to provide maximum value to the attendee through education, content and peer networking, while providing the sponsors with the business development and relationship building opportunities they need to grow their business. M6 has accomplished this for three years in a row and as a result our attendees want to come back and we are attracting more and more sponsors."

"TSE's Gold Grand Awards program identifies the most successful and inspirational thinkers in the trade show industry and salutes their pioneering new ideas and strategies," said Darlene Gudea, president of Trade Show Executive Media Group. "By spotlighting the winners and inspiring conversation among the senior level delegates at the Gold Gala, the Gold Grand Awards help accelerate the exchange of successful new strategies throughout the trade show industry as a whole."

### About the 2013 M6 Mobility xChange

In its third year, the [M6 Mobility xChange](#) (formerly M3) is the longest running hosted enterprise mobility summit and recently took place at the La Costa Resort & Spa in San Diego, CA.

M6 is an invitation-only event designed for senior managers and business executives who want to understand how current and future mobile technology and trends will impact their business and customer outcomes.

Maribel Lopez

, Principle Analyst Lopez Research LLC was the M6 Conference Chair and was joined by a team of leading industry experts to deliver an in-depth agenda packed with end user and CEO panels, case studies, and fireside chats. For information on sponsoring or attending the event please visit
