

LONDON, October 11, 2013 /PRNewswire/ --

Evolution Gaming, the world leader in video-streamed Live Dealer gaming, has announced that it has entered into a three-year agreement to provide Europe's front-runner in mobile casino gaming LeoVegas.com with Live Casino solutions across mobile and desktop devices. Now live with Evolution's extended mobile portfolio, including the new revolutionising iPhone Live Casino, LeoVegas consolidates its market-leading position in the mobile and tablet sector.

The mobile gaming sensation LeoVegas has in less than two years grown to become one of the strongest and most influential players in the casino gaming market through its dedication and focus on delivering "Europe's greatest and most user friendly mobile casino".

LeoVegas.com went live on 10<sup>th</sup> October with Evolution's full portfolio of Live Casino games - Live Roulette, Live Blackjack, Live Baccarat, Live Casino Hold'em and Slingshot Auto Roulette - for iPad/iPad mini and PC/Mac and Samsung Galaxy and Google Nexus tablets, in line with its mobile-centric strategy. In addition, as a landmark statement, LeoVegas.com has also launched the brand new Live Roulette on iPhone 4 and 5, and Samsung Galaxy S3 and S4 smartphones.

LeoVegas co-founder Gustaf Hagman commented: "LeoVegas is all about delivering an astounding gaming experience. Spearheading the Smartphone revolution in the casino space, it was very natural for us to partner with Evolution, a truly innovative leader, to create an iPhone Live Casino experience to match the LeoVegas brand. Furthermore, Evolution creates games specifically for each device, which will give our players exactly what they expect from a market leader - unique content, the widest selection and a great customer experience across all platforms."

Fredrik Osterberg, Chief Commercial Officer at Evolution, added: "We are delighted to be working with LeoVegas who are acknowledged pioneers and the distinguished category leader in mobile gaming, as we now take our mobile offering to the next level. Our mobile strategy is a full game offering on iPad, which is now extending to iPhone and Android mobile devices - and all with careful and considered development that stays true to our vision of a flawless live gaming experience across multiple channels in regulated markets."

### About Evolution Gaming

Evolution Gaming is the world leader in video-streamed Live Dealer gaming, working with more top-tier operators and brands than any other provider. Launched in 2006, Evolution is committed to delivering a flawless live gaming experience across multiple channels in regulated markets, streaming world-class Live Casino solutions from its state-of-the-art studios in Riga or from live studios in land-based casinos.

Evolution solutions include real-time games played on PC, iPad and mobile devices, plus Live Casino TV show content and betting integration, and intra-resort mobile gaming. Evolution's Live Roulette, Blackjack, Baccarat and Casino Hold'em games are "as real as it gets", offering players an interactive online experience that's just like playing in a real casino.
