

DENVER, Oct. 11, 2013 /PRNewswire/ -- The American Marketing Association wants to help marketers create a content marketing strategy that meets their demand generation needs. On October 15 at 1 p.m. EST, the AMA and marketing experts from ReadyTalk, Vidyard and Kapost will host a free webinar, [Content Marketing 101: Feeding the Content Beast](#).

Attendees of the webinar will learn:

- Why you're hearing so much about content marketing (and why it matters)
- The top reasons marketers say they can't do content marketing (and how they can)
- How to tailor your content marketing initiatives by persona and buying stage
- What content you can start producing right away
- Creative ideas to repurpose webinar assets
- How to get more value and maximize the ROI of your video content

As a leading technology provider of [webinars](#) and audio, web and video conferencing, ReadyTalk powers thousands of webinars a day and uses webinars as a staple of their content marketing activities. Bo Bandy, marketing communications manager at ReadyTalk, will share 19 ways to repurpose webinars into content marketing assets.

Recent research suggests that almost 60 percent of marketers are using webinars in B2B content marketing strategy. It ranks as the third most popular tactic for content marketing. But like most tactics, the ROI depends on successful execution.
