

WASHINGTON, Oct. 22, 2013 /PRNewswire/ -- The United States Azerbaijan Chamber of Commerce, together with the Ministry of Information and Communication Technologies, the Embassy of Azerbaijan to the United States and NAR MOBILE, a mobile telecommunications company as main sponsor, invites U.S. information and communication technology companies to participate in ICT Trade Mission to Azerbaijan and BakuTel 2013 International Expo.

WHO SHOULD ATTEND?

USACC is taking a select group of leading Information and communication technology companies interested in exploring opportunities in Azerbaijan and the Caspian region. Opportunities are available across a variety of sub-sectors including: telecommunications and networks, IT and office technologies, Cable and wireless, Satellite communications and technologies, TV and Radio technologies, Broadcasting and professional equipments, Banking technologies and services, Security systems, Broadband communications and technologies, Software and ICT systems, E-government and e-learning, Cyber Security and Business Intelligence.

BENEFITS OF PARTICIPATION

ICT Trade Mission allows you to: (1) participate and showcase your company products/services at the largest ICT Expo in the Caucasus, as well as at US-Azerbaijan ICT Business Forum, (2) take the advantage of post event press coverage, including online media outlets, (3) promote and solicit investments into the ICT projects within the United States, as well as prospective partnership opportunities with the number of local firms looking to expand overseas and 'Go Global'; (4) enjoy networking opportunities and client entertainment provided through official

Written by Australian Business

receptions, luncheons and dinners; as well as complimentary city tour through tiny streets, medieval fortress walls of ancient

Baku

; (6) Take the advantage of a courtesy airport pick up and drop off and complimentary four-night stay at Four Seasons, a five star hotel in the heart of

Baku

To learn more about the details and benefits of participation, company eligibility and financial support, what is covered and what is not, please refer to this [Application Form](#) and reach us at (202) 333-8702 or via email at ssadigova@usacc.org

There will be a special presentation on this trade mission on October 28th at the San Jose City Hall, California

. There is no cost to participate in this invitation only, private meeting.
