

NEW YORK, Sept. 20, 2013 /PRNewswire/ -- The new commuter check list: Keys. Check! Wallet or purse. Check! And now, the enhanced FiOS Mobile App, which enables Verizon [FiOS TV](#) customers to watch live linear content as well as video on demand while away from home.

To support the [Borderless Lifestyle](#) – anytime, anywhere access to what customers want – The FiOS Mobile App offers access to popular television shows and movies via select iOS and Android mobile devices and tablets, and Kindle Fire, with more content choice to be added later this year.

"The FiOS Mobile App has a wide variety of content choice for all ages and interests, from the do-it-yourselfer to the moviegoer, and this is just the beginning," said Maitreyi Krishnaswamy, director of FiOS TV's consumer video services. "Close collaboration with content and software partners, allows us to deliver a seamless customer experience, which will become even better as the content choices grow over time."

Starting today, customers can watch up to nine popular live TV channels, depending upon their current FiOS TV package, via the iPad and select Android tablets and phones. In addition, the app is now available on the iPhone and Kindle Fire tablets.

Channels available with this initial rollout, out of the home include [BBC America](#) , [BBC World News](#) , [E! X](#) , [NFL Network](#) (tablet only) including "Thursday Night Football," [Tennis Channel](#) and networks from Scripps Networks Interactive including [Food Network](#)

and
[Travel Channel](#)

.

FiOS TV customers have been able to use their mobile devices and tablets to watch up to 76 live linear channels at home. Now, FiOS customers in New York, New Jersey, Philadelphia and Washington, D.C.

, can use their tablets and mobile phones to also watch local news and weather at home on the local affiliates of ABC, NBC, CBS, Fox and Spanish-language channels such as UniMas and Univision.

(**Note:** For screenshots of the application and additional details, click [here](#)).

For movie lovers, the FiOS Mobile App offers on-demand content including more than 45,000 [Flex View](#) titles. Customers can now access thousands of free and subscription-on-demand content from brands like HBO, Cinemax, Starz, Encore, Food Network, HGTV, Travel Channel and more.

One FiOS Entertainment App for Everything From Live TV to On Demand

The new enhanced FiOS Mobile App also condenses existing apps and incorporates functionality from FiOS Mobile Remote and Verizon Media Manager into one single FiOS TV entertainment destination. The unified app provides a simple and elegant user-friendly experience that enables easy content discovery and video viewing.

The app has numerous easy-to use functions including TV listings, My Bookmarks, My Library, On Demand, DVR, Settings and Help.

In addition, the FiOS Mobile App offers parental controls, so parents can decide what content they want their children to access.

FiOS TV offers a broad collection of programming on TV, with more than 520 all-digital channels including up to 142 HD channels and 19,000 monthly video-on-demand titles. FiOS also provides next-generation interactive services including an advanced interactive media guide; social networking, news and entertainment widgets; remote DVR management via broadband or cell phone; and more.
