

GCI to bring iPad Air to Alaska

Written by Australian Business

ANCHORAGE, Alaska, Oct. 25, 2013 /PRNewswire/ -- GCI today announced that iPad Air with Wi-Fi + Cellular will be available in Alaska in the coming weeks. GCI will offer iPad Air with a range of attractive data plans that will allow customers to connect to its fast 4G LTE network with average download speeds of 5 to 12 Mbps.

GCI is the top provider of voice, data and video services in Alaska, through which consumers can experience entertainment everywhere. GCI is also the leading provider of communications services to enterprise customers, particularly large enterprise customers with complex data networking needs. More information about GCI can be found at www.gci.com.
