Huntkey appeared on MyBroadband Conference 2013 in Gallagher Estate, Midrand, South Africa as a prize sponsor subsequently. MyBroadband Conference is the premier event of its kind in South Africa, attracting IT executives and delegates from around the country. It is reported that the 9th MyBroadband Conference held this year was the biggest and best conference ever, with speakers from all the major telecoms players in the country. Over 2000 South Africa participants received Huntkey flyers and the prize winners received special gift packages sponsored by Huntkey.
