

Interactive: a snapshot of political donations in Australia for 2015-16

Written by Michael Courts, Editor, The Conversation

The Australian Electoral Commission on Wednesday [released data](#) showing donations to political parties for the year 2015-16. The interactives below show the total donations to Australia's major parties, who the biggest donors to the parties were, and how donations to parties have changed in recent years.

You can read Yee-Fui Ng's analysis piece on what the donations reveal [here](#) .
