

Video explainer: Bowling strategies and decision-making in cricket

Written by Emil Jeyaratnam, Multimedia Editor, The Conversation

This is the final in a three-part video series looking at decision-making in cricket. In this episode, Jonathan Connor explains how bowlers find their rhythm, how they adapt to conditions, and how they make good decisions.

Watch: [Episode 1: How cricket captains make good decisions](#)

Watch: [Episode 2: Batting expertise and decision making in cricket](#)
