

VIDEO: Michelle Grattan on the banking royal commission

Written by Michelle Grattan, Professorial Fellow, University of Canberra

Michelle Grattan speaks to University of Canberra's Deep Saini about the week in Australian politics. They discuss the appalling findings from the banking royal commission that have led the government to admit just how necessary an inquiry was. They also discuss Deputy Prime Minister Michael McCormack's gaffe about Treasurer Scott Morrison bringing a budget of goodies, and the ongoing pressure regarding live sheep exports.

Michelle Grattan owns bank shares.

Deep Saini ne travaille pas, ne conseille pas, ne possède pas de parts, ne reçoit pas de fonds d'une organisation qui pourrait tirer profit de cet article, et n'a déclaré aucune autre affiliation que son poste universitaire.
