

VIDEO: Michelle Grattan on the next sitting week - and Scott Morrison's relationship with Trump

Written by Michelle Grattan, Professorial Fellow, University of Canberra

University of Canberra Vice-Chancellor Professor Deep Saini discusses the week in politics with Michelle Grattan – one with a reduced pace, despite the 24 hour news cycle. They talk about whether this new pace is a better way to govern, and what the next sitting week will bring on, including legislation to bring erring union officials into line. They also canvass Scott Morrison's relationship with Donald Trump in light of a State Dinner in his honour when Morrison visits Washington DC in September.

Michelle Grattan does not work for, consult, own shares in or receive funding from any company or organisation that would benefit from this article, and has disclosed no relevant affiliations beyond their academic appointment.
