

Brewer-Garrett Receives Leading EDGE Award

Written by Australian Business

CLEVELAND, OH, September 12, 2013 /**24-7PressRelease**/ -- Brewer-Garrett, Middleburg Heights, was among an elite group of 101 Northeast Ohio mid-sized companies to be recognized at The 2013 Leading EDGE Awards on May 23 at Lorain County Community College in Elyria, Ohio. In its seventh year, this prestigious award was developed by The Entrepreneurs EDGE to recognize value-creating, mid-sized companies in the region. Qualifying companies operate within the 17 counties of Northeast Ohio and generate revenues up to \$750 million, a portion of which must be outside the region.

Honored companies were identified by the value they create in our regional economy, based on a sum of their EBIT (earnings before interest and taxes) and total taxable compensation for all Northeast Ohio-based employees.

"To once again be honored in the community of Northeast Ohio's "Value Leaders" reinforces our belief that building business is about the people, programs and technology. The culture at Brewer-Garrett is an action proposition. Our philosophy that we support day in and day out is that we are in this together working to build relationships, working to provide a great environment and working to provide the very best solutions with cutting edge technology. Our version of success is when EVERYBODY is looking for and accepting responsibility for the success of the endeavor."

Lou Joseph, President & CEO, Brewer-Garrett
