

AesthetiCare MedSpa In Leawood Offers Monthly Specials

Written by Australian Business

LEAWOOD, KS, September 20, 2013 **/24-7PressRelease/** -- Each month AesthetiCare MedSpa in Leawood will offer a new special for various aesthetic procedures. This month patients can take advantage of a full face MicroPen treatment for only \$175. Regularly \$250, patients will save \$75 at their next appointment with AesthetiCare for a full face MicroPen treatment.

This online special is only available until the end of September with a limit of two per client. AesthetiCare, Leadwood MedSpa, also informs patients that this special cannot be combined with other discounts or promotions. For more information on AesthetiCare's current special, patients can visit the practice's website at <http://www.greatskinkc.com> .

"By offering online specials we hope that our patients will visit our office for the treatment they have wanted, but were concerned about pricing. Each month we offer a different online special, and this month it is the Eclipse MicroPen treatment. For only \$175, patients can receive a full face MicroPen treatment at our Leawood office," said Matt Taranto about AesthetiCare, a Leawood, KS MedSpa.

Eclipse MicroPen is an automated micro-needling treatment that is a new innovation in aesthetic medicine for the treatment of fine lines, acne scars and improvement of the skin's overall appearance. At only \$175, patients can experience a reduction in the appearance of their fine lines and wrinkles. The MicroPen also works to create younger looking skin with fewer signs of aging, positive effects on hyper-pigmentation and hypo-pigmentation, and creates a fresher appearance.

Patients who are looking for a treatment that helps their skin achieve a health glow are encouraged to visit AesthetiCare. With the availability of an online special, patients can easily afford treatment with the Eclipse MicroPen for a fresher appearance.
