

SAN DIEGO, CA, September 21, 2013 /24-7PressRelease/ -- [Jackson Design and Remodeling](#) (JDR), a leading design-build remodeling company in San Diego, today announced that company President Todd Jackson was selected to appear in a national online campaign for WD-40. Based in San Diego, WD-40 celebrates 60 years in business this month. The campaign, titled "[Pros Talking to Pros](#)" is an informational video series aimed at professional users of WD-40 products.

"This video series is an innovative way for pros to share practical tips with each other," said Jackson. "It was a privilege to be selected by WD-40 for a national campaign to represent their enduringly popular brand." Three scientists experimenting with rust prevention solvents invented WD-40 in 1953. The company employs 100 people at its San Diego headquarters and WD-40 is now available in 187 countries.

Featured in videos on the home page of [WD-40.com](#), Jackson's three videos focus on protecting drywall tools from rust, displacing moisture from tools, and restoring rusted tools and equipment. After researching thousands of construction professionals across the country, Jackson was one of just four industry professionals selected to appear in the campaign..Jackson is a respected leader in the remodeling industry. His company, Jackson Design and Remodeling, has been awarded the BBB Torch Award for Marketplace Ethics three times. Jackson leads a team of architects, designers and construction professionals utilizing an innovative design build approach.
