

NEW YORK, September 23, 2013 **/24-7PressRelease/** -- Gene Hayden, Vice President and General Manager Asia for Emerson Network Power Asia (a business of Emerson Electric), has been recognized by Worldwide Who's Who for showing dedication, leadership and excellence in business development and management.

With two and a half decades of practiced experience in his field, Mr. Hayden is uniquely positioned to oversee a variety of tasks on behalf of Emerson Network Power Asia. A fluent Mandarin speaker, combined with his 38 years in the Asia Pacific region, provides significant depth in his capacity as vice president/GM Asia, to utilize his expertise in sales, and business development and management, to oversee growth initiatives, daily business operations and manage profits and losses.

Emerson Network Power is a critical infrastructure company that protects and optimizes critical infrastructure for data centers, communications networks, healthcare, and industrial facilities. The company delivers software, hardware, and services that maximize availability, capacity, and efficiency for businesses. As a global leader in the industry, Emerson Network Power applies their services globally across 150 countries, with more than 2,000 certified professionals.

Prior to joining Emerson, Mr. Hayden was employed with Liebert Corporation as the vice president for the Asia Pacific region. He also held the position of managing director for Trinova Corporation, where he managed 11 PRC technology transfer partners. He utilizes the knowledge he gleaned from his Bachelor of Arts in business administration, as well as his prior industry experiences, in order to exceed the expectations of his customers. Looking ahead, he intends to experience the continued growth of his career, as well as the expansion of the company.
