LOS ANGELES, CA, September 20, 2013 /**24-7PressRelease**/ -- LA Copy and Print Center offers DVD and [CD duplication services](#)

for their customers. These services offer customers a higher quality of CD or DVD duplication as well as significant savings in time over trying to duplicate CDs and DVDs at home.

LA Copy and Print Center offers professional quality CD and [DVD duplication services](#) for a reasonable price. Each CD or DVD that they produce features crystal clear sound and picture without the production flaws that often result from duplicating CDs and DVDs at home. These high quality CDs and DVDs are ideal for demo albums for a band, wedding DVDs, or even home movies or film projects that customers wish to distribute.

LA Copy and Print Center duplicates CDs and DVDs much more quickly than most home duplication systems can. Burning CDs and DVDs individually with a home computer can take hours, or even days. In contrast, LA Copy and Print Center offers rapid CD and DVD duplication. In many cases, they can duplicate the customer's CDs and DVDs within the same day.

In addition to CD duplication services and DVD duplication services, LA Copy and Print Center offers a number of other copying and printing services. These services include sticker printing, banner printing, custom [T-shirt printing](#), magnet sign printing, blueprint printing, business card printing, vinyl lettering, oversized copies, customized office products, letterhead and envelopes, [perfect binding](#) and much more.

LA Copy and Print Center offers fast printing and they are open six days per week and for long hours to help meet their customers' needs. Free delivery is available within Los Angeles County for orders valuing over \$250.

LA Copy and Print Center began as a small copy shop in 1990 with just a handful of black and white copiers. Today, the print center offers one of the widest arrays of services in the area. LA Copy and Print Center boasts the latest technologies, as well as professional graphic design services to meet the customers' design and customization needs. Visit their website to learn more about the services available at LA Copy and Print Center, or stop by to speak with one of their skilled copying and printing experts.
