

LOS ANGELES, CA, September 27, 2013 /**24-7PressRelease**/ -- AM PM [Los Angeles refrigerator repair](#)

now offers services for fridge repair in Los Angeles. Whether the fridge breaks down during the day, or if it begins losing its cooling ability overnight, AM PM refrigerator repair can come and take care of the problem before food begins to spoil and water damage to floors and woodwork from melting ice becomes a problem.

AM PM Appliance repair is the first choice as a [Los Angeles refrigerator repair company](#) because of their fast, efficient service. Repair technicians are available 24 hours per day, 7 days per week to take care of refrigerator repair as quickly as possible. In addition, AM PM repair technicians carry the parts needed to repair most models of refrigerator on their trucks, eliminating the need to waste valuable time by returning to the shop for parts. AM PM repair technicians are also trained to service a variety of refrigerator makes and models, including many less common or older models. This commitment to service helps to make repairs faster and more efficient when time is of the essence.

Rest assured that when an AM PM appliance repair person comes to the door, they will provide courteous and efficient service. AM PM strives to minimize the disruption the home and the residents, making the repair call as pleasant and unobtrusive as possible.

Many clients are concerned about the cost of the service call. With AM PM Appliance Repair, each service call costs only \$45. This fee includes examining the fridge and determining the problem. If the customer decides to use AM PM to make the repairs, the technician will waive this fee and just charge a reasonable rate for parts and labor.
