

Corcentric's Latest Blog Post Details the 3 Ways to Audit AP Performance

Written by Australian Business

MCLEAN, VA, October 18, 2013 **/24-7PressRelease/** -- Corcentric, a leading provider of accounts payable automation and [electronic invoicing software](#), reveals the top three ways AP professionals can audit their internal controls and performance in order to position their organizations for success in lowering costs and increasing operational efficiency. To move towards best-in-class status, AP departments need to:

1. Map their process
2. Create benchmarks
3. Identify improvement areas

The blog post stresses that AP departments need to realistically assess their strengths and weaknesses, and they need to determine where they currently are vs. where they want to be.
