

ATLANTA, GA, October 22, 2013 /**24-7PressRelease**/ -- Injuries sustained from falling debris at a worksite can be serious. Even with a hard hat a worker can suffer brain or spinal cord damage by being hit by falling debris on a construction site. Recovery from these injuries can be lengthy and expensive. When you need the services of an

[Atlanta workers comp lawyer](#)

, turn to Cummings & Middlebrooks, LLP. They are leading experts in workers' compensation law throughout Georgia.

Cummings & Middlebrooks, LLP, has some of the best [Atlanta workers compensation attorneys](#) on staff. Highly experienced and dedicated legal experts, they work hard to get injured workers the compensation they deserve under the law.

The laws governing worker's comp in Georgia are complicated and often overwhelming for individuals unfamiliar with the system. The Atlanta workers comp lawyers of Cummings & Middlebrooks, LLP, can help you file your claim correctly from the very beginning of your case. This greatly increases the odds that you will receive compensation and medical benefits in a timely manner after a serious worksite accident.

"We know how difficult it is to get back on your feet after a serious workplace injury. The last thing you need is the hassle of not getting a fair compensation for your injury," says Tracy Middlebrooks, Partner at Cummings & Middlebrooks. "Our job is to do whatever it takes so our clients receive all the benefits they are entitled to under the law after a worksite injury. Providing personal injury legal services is our area of expertise and we believe we do it better than anyone else out there."

The [Atlanta workers compensation attorneys](#) at Cummings & Middlebrooks, LLP, are committed to getting injured workers the fair compensation they deserve after a serious workplace accident. Trust them to work hard to get you the benefits you and your family deserve. Call for a free consultation with one of our attorneys; don't settle for speaking with a paralegal or legal assistant at another firm.
