

POMPANO BEACH, FL, October 24, 2013 **/24-7PressRelease/** -- A testament to the continued resilience of the \$100 billion dollar commercial cleaning segment, Anago Cleaning Systems (Anago), a leading commercial cleaning franchise with more than 2,400 Unir Franchisees throughout the U.S. and internationally, is pleased to welcome new Master Franchisee Mark Pec to the system, who will open Anago of Savannah - Hilton Head. The new business will be located at 10500 Abercorn St., Suite C in Savannah, Ga., and will service South Carolina's Beaufort and Jasper counties and Georgia's Bulloch, Effingham, Bryan, Chatham, Liberty, Long, McIntosh, Glynn and Camden counties.

"As we grow our presence across the United States, we're thrilled to have Mark join our system and bring Anago's incomparable cleaning services to new areas in the Southeast," Adam Povlitz, Executive Vice-President for Anago Cleaning Systems, said. "His blend of strong business acumen makes him the ideal candidate in driving new business ventures and upholding Anago's fundamental philosophies as stated in the vision, mission and values of our organization."

Pec comes to Anago with an extensive background in the retail food industry and holds a diversified portfolio in store operations, category management and sales and merchandising. His previous work as district manager at A&P Supermarkets held Pec accountable for the operations, sales and profitability of 14 retail supermarkets in Connecticut which employed more than 1,500 associates. Pec's decision to join Anago stems from his desire to attain business ownership, while assisting others in achieving their financial and personal goals.

"Joining Anago is a personal and professional investment to develop relationships and build businesses. I'm very excited to be a part of a team that is high-motivated and dedicated to the success of employees, Franchisees and clients," Pec said. "I plan on supporting my Franchisees through up-to-date processes, best practices and consistent support in the field to uphold business integrity and ensure exceptional service."

Specializing in all aspects of commercial cleaning such as nightly janitorial services, floor maintenance and carpet cleaning, Anago uses innovative cleaning techniques and constantly tests new methods to improve systems. Through its SmartClean program, Anago clients receive a rotational, systematic service ensuring the highest level of cleanliness for the health of employees and clients.

Anago also touts green cleaning services to keep facilities environmentally-safe by using professional equipment, approved dispensing systems, microfiber products and recyclable containers to eliminate bacterial transfer. Clients also enjoy a customized work schedule, 24/7

client support, log of all communications, security assurance that each uniformed professional Franchise Owner is bonded and insured and work with the highest regard for confidentiality and discretion.

The new opening highlights the growth of the commercial cleaning segment, which is a top business sector in high demand. Master Franchisees, many of whom use their strong background in sales, marketing, or business operations, have the potential to create dozens of small businesses in the local economy directly. Unit Franchisees focus on cleaning office buildings, medical facilities, manufacturing facilities, and just about any other commercial property, while Master Franchisees handle the administrative tasks, including everything from finding clients, to estimating and coordinating cleaning contracts, to billing and collections. Currently, with more than 30 Master Franchisees system-wide, Anago has proven its success and established its place at the forefront of the industry.

"Our national success is a direct outcome of our professional integrity and our business model, which offers multiple channels for growth within the Anago system," Povlitz said. "With our current growth in Georgia, we hope to inspire potential franchisees to take advantage of the possibilities available at Anago. We're very excited for another outstanding year of development and expansion in 2014.

Anago Cleaning Systems is a commercial cleaning franchise system supporting over 30 Master Franchises and 2,400 Unit Franchisees in the U.S. and internationally. After years of refining procedures and creating duplicable systems created in his large commercial cleaning service, David Povlitz founded Anago in 1989 to help other entrepreneurs open their cleaning businesses. Today, its program sets the standard worldwide in commercial cleaning. Anago was ranked the 10th fastest-growing franchise and #39 on the Franchise 500 by Entrepreneur magazine in 2013, and ranked by Franchise Business Review as one of the best franchises in franchisee satisfaction. Inc. Magazine has also listed Anago as one of the top privately-held companies in the U.S. For further information, visit its website or [www.AnagoMasters.com](http://www.AnagoMasters.com).
