It is the third time AmeriQuest has been recognized on the list compiled by NJBIZ.

AmeriQuest achieved its recognition this year with sales revenue in 2012 of \$509 million and a three-year growth rate of 53 percent.

"As the economy is rebounding, companies are looking to be more efficient in managing their costs and operations and are turning in greater numbers to outsourcing certain essential services," said Clark, President and CEO. "The fact that so many companies are seeing that this makes financial sense is what has spurred our continued success over the last three years."

According to NJBIZ, the awards program "celebrates New Jersey's most dynamic companies who progressively contribute to the success of the state's economic growth and stability." To qualify, companies had to meet selection criteria that included a revenue size of at least \$500,000 within the past two out of three years and growth in revenue over a three-year period dating from fiscal year 2010 to 2012.

The awards are presented by ParenteBeard LLC and sponsored by Archer & Greiner PC, Comcast business, Mass Mutual, M&T Bank, and UnitedHealthcare. ParenteBeard calculated the nominations and then ranked the companies. Both dollars and percentage increases were taken into consideration.

The award was presented on November 19 at The Palace at Somerset Park in Somerset, NJ.
