

MCLEAN, VA, December 04, 2013 /**24-7PressRelease**/ -- Choosing the right accounts payable automation solution is not an easy task. Corcentric, a leading provider of accounts payable automation and [electronic invoicing software](#), will make the process easier by pinpointing the exact questions companies need to ask their service providers. Corcentric will be hosting a Webinar entitled "AP Automation: 5 Key Questions You Must Ask," which will take place on **Thursday, December 12, 2013 at 2:00 PM ET/11:00 AM PT**.

The Webinar will not only list the 5 key questions, it will also detail why each of these questions is crucial, as well as what answers companies should be looking for. Accounts payable professionals will be able to evaluate which solution works best for their operations by identifying:

- Key differences between SaaS and on-premise solutions-
- What IT involvement means to project implementation-
- The best way to transition from manual to electronic processing -
- And more ...
