

CHANDIGARH, INDIA, December 06, 2013 **/24-7PressRelease/** -- The occasion, which was organized to felicitate the topmost performers of the IT sector, especially based on their performance in the Exports category in the year 2012 - 2013.

Among the companies which were awarded for their outstanding performance in the Exports included Infosys Ltd. which bagged the honors for best Exports in the Software development category, while Dell International Services won in the IT enabled services provider category.

Moreover, many SMEs from the Northern region were also honored for their excellent performance in the exports in the IT (Software exports) and IT enabled Services category along with IDS Infotech Chandigarh. In the IT Exports category, Fidelity Information Services from Chandigarh, Emerson Information Technology Solution from Punjab and others were the winners. In the IT enabled Services sector, the SMEs, IDS Infotech of Mohali, Agilyst technologies, and Webart Softech received the honors. The awards were dominated by Tricity based companies which makes it clear that the tricity region is making great progress as far as the IT sector is concerned.

[IDS Infotech](#) , a progressive and premiere company based in Mohali and known for providing ITeS i.e. IT enabled services was also felicitated for its top rated services in the region for more than two decades. The company has performed consistently since its inception and made a unique mark in the ITeS sector expanding its portfolio in many sectors. Moreover, IDS, Mohali is one of the companies in the region which has carved a niche in major international markets such as UK, USA.

Among the key persons responsible for the company's success is Mr. Partap Aggarwal, the erstwhile IDS Infotech Director. He has played an integral part in setting up the corporate principles of the company and his expertise in managing technical teams and systems management has taken IDS Mohali to an enviable position. [Partap Aggarwal](#) has also helped the company in establishing a strong footing overseas during his tenure as IDS Infotech Director, given his far and wide experience in dealing with top International corporations.

However, it is not the first time that the company has received laurels for its outstanding performance. IDS Infotech Chandigarh has been felicitated many times during its successful run. The company received the Special Veterans Award from the Software Technology Parks of India, and won the Best IT Exports award of the Chandigarh for four consecutive years from 2001 - 2004 and has always been among the top five exporters in the IT sectors in the country.

The company maintains its corporate motto of nurturing relationships and their continued success is a testament to the validity of their principles. IDS Infotech Chandigarh has once again come up as one of the promising enterprises of the ITeS sector in the region.

IDS Infotech Ltd (IDS) believes that relationships need nourishment and care. Our clients are our family, not just business partners. We work cooperatively in taking the business to the highest level. Together, we put in concrete efforts to deliver high-quality services, thus building a lasting relationship with "trust" as our prime motto. Our association with the most reputed organizations in the world is testimonial to this bond and we are very proud of the company we keep.
