

SARASOTA, FL, December 07, 2013 /**24-7PressRelease**/ -- In his new role with Clarion Laminate, Paul will direct all aspects of product management, including identifying market requirements, leading product development efforts, and overseeing product marketing. A graduate of the University of Florida with a Bachelor's degree in Business, Paul has spent his entire adult career in the flooring industry, having served as Product Manager at Congoleum Corp. and, most recently, at Mannington Mills.

Clarion Industries is the parent company of Clarion Boards, Inc. and Clarion Laminates, LLC - the only truly integrated laminate flooring operation in the USA, with HDF panels and laminate flooring produced in one, 660,000 square foot state-of-the-art facility that connects the two factories in one location. The corporate offices are located in Shipperville, PA, with sales and marketing offices in Morrisville, NC.
