

ATLANTA, GA, December 30, 2013 /24-7PressRelease/ -- [Contract facilitator](#) business FindaFacilitator wants to remind company owners of the services they offer and that now is the perfect time to consider hiring a facilitator.

The New Year marks new beginnings. It offers a fresh start and gives people motivation to succeed and exceed. If your business is suffering from poor productivity, performance or an overall lack of morale from staff, hiring an outside consultant to help solve these problems is one of the best things you can do.

Where Is Your Business Headed? Now is the time to reflect on 2013 and thoroughly evaluate what areas your business can improve upon. Are there any issues that stand out? Even if you are uncertain about what is holding your company back from the aspirations you have for it, the [certified professional facilitator](#) agency has an extensive network of contractors with expertise in a wide array of fields that can help.

One area in particular that has helped thousands of companies streamline their operations is improving the means by which these procedures are carried out. Also referred to as "process improvement," this term incorporates everything from product design to rewarding employee performance to customer order management.

According to Kris Casariego, Director of Marketing of Leadership Strategies, "Every one of our qualified facilitators is trained in FindaFacilitator's result-driven, seven-step process improvement method. One meeting is all it takes to find valid solutions to your company's most damaging problems."
