

## NAB Expands Event Offerings with the Purchase of New York's CCW and SATCON

Written by Australian Business

---

The National Association of Broadcasters announced today it has purchased the assets of the Content and Communications World (CCW) and Satellite Communications Conference and Expo (SATCON) events from JD Events, a leading trade show organizer. CCW and SATCON, held annually in November, are co-located at the Javits Convention Center in New York City. The two events will complement NAB's existing trade shows and events, including NAB Show, held in Las Vegas annually in April.
