

HOUSTON, TX, May 16, 2014 **/24-7PressRelease/** -- US Global Mail received the 2014 Winner of Excellence Award at the Better Business Bureau Awards for Excellence, at a luncheon held at the Houston Westin Galleria. The BBB Awards for Excellence recognizes businesses and non-profits for their achievements and commitment to overall excellence and quality in the workplace.

US Global Mail is an industry leader in providing a valuable service to expats moving overseas- Mail Forwarding of their US mail and packages. The company serves individual expats from Fortune 500 companies as well as the corporates themselves.

When asked what it means to US Global Mail to receive this recognition, Randip Singh, CEO, states "It is an honor to be recognized for providing excellent service to our customers and clients. Our team works hard to meet and exceed customer expectations and I am thrilled to share this award with my entire team."

The company is experiencing double digit growth as more corporates become aware of the opportunity to cut costs in expat mail handling and offer this critical component to make settling-in easier for their expats. Companies with expats in frontier locations are excited about the service as it allows their expats to maintain a bit of their US lifestyle by being able to shop their favorite items and receive them no matter where they are.
