

VANCOUVER, BC, May 30, 2014 **/24-7PressRelease/** -- John McCormick, President and Owner of AC Systems Inc. and the partners of BC Comfort Air Conditioning Limited are pleased to announce that BC Comfort has acquired various assets of AC Systems Inc.

Since 1978, AC Systems has been providing exceptional customer service and engineering excellence to its clients. The business philosophies of both organisations provide for a continuation of this tradition of excellence, alongside BC Comfort's ongoing commitment to service, growth and expansion.

BC Comfort has been at the centre of some of Vancouver's most important and well known building projects, providing a full spectrum of mechanical services, including design, engineering and installation of HVAC, Controls, Refrigeration, and Plumbing.
