

Miratech Named in Best 10 Companies Employees in Eastern Europe

Written by Australian Business

KYIV, UKRAINE, June 05, 2014 **/24-7PressRelease/** -- The list recognizes the world's best outsourcing service providers and advisors; rankings are based on applications received and evaluated by an independent judging panel organized by IAOP.

In addition to its inclusion in the Global Outsourcing 100 list, Miratech was named by IAOP in several sub lists, including Best 10 Rising Stars - Financial Services (Banking, Markets); Best 10 Rising Stars - Telecommunications; Best 10 Rising Stars - Research and Development Services; and Best 10 Companies Employees in Eastern Europe.

This is the second year in a row that Miratech has been chosen by IAOP as a top outsourcing service provider. Rankings will be presented in the Fortune 500 issue of FORTUNE magazine, in a special advertising feature produced by IAOP.

The Global Outsourcing 100 list and its sub lists are essential references for companies seeking new and expanded relationships with the best companies in the industry. "IAOP is continuously striving to make The Global Outsourcing 100 and World's Best Outsourcing Advisors lists important resource tools in the outsourcing decision-making process," said Michael Corbett, IAOP Chairman.

The 2014 judging panel was led by IAOP Chief Advisor, Thought Leadership, Jagdish Dalal, COP and President of JDalal Associates, LLC. Dalal says, "Given the strong competition, getting named to these lists is a great recognition and these companies should be proud of achieving excellence in the field." Debi Hamill, IAOP CEO, adds, "The companies named on these lists and sub lists have demonstrated their expertise following a rigorous, independently judged process and represent the top in the industry."

Miratech CEO Valeriy Kutsyy comments, "We are honored to be included in the 2014 Global Outsourcing 100 list. We believe these designations demonstrate that Miratech is a reliable and trusted IT services provider."
