

EL PASO, TX, June 05, 2014 /**24-7PressRelease**/ -- The El Paso, Texas-based Tecma Group of Companies has made it easy for interested parties to have Mexico manufacturing information delivered directly to their smartphones via SMS text messaging on a regular, weekly cycle.

Tecma delivers what are known in Mexico as " [shelter services](#) " to nearshore manufacturers through their participation in its Mexico Shelter Manufacturing Partnership (MSMP). The Tecma Group of Companies' website is replete with information on issues related to maquiladora industry production, Mexican human resources and taxation topics, as well as logistics, transportation, Customs and other topics that are of primordial importance to the successful conduct of production activities in North America's premier nearshore location.

After texting the word "**Tecma**" to **96000**, smartphone users will be requested to fill out a brief subscription form. Subsequent to the immediate receipt of information, updated articles, podcasts, videos and other Tecma Blog content will be forwarded at seven day intervals.

About The Tecma Group of Companies

The Tecma Group of Companies, Inc., headquartered in El Paso, Texas provides services that have enabled firms from a wide range of industries to establish and maintain manufacturing in Mexico operations for almost three decades. Under its [Mexico Shelter Manufacturing Partnership](#) (MSMP) companies control and focus on their core, value-added functions, while Tecma tends to their human resource, payroll, accounting, logistics, and other needs that, although important, are not part of the manufacturing process.
