placed #260 in the annual ranking.

Revenue size is determined by the amount of annual products and services sold over the course of 2013. Companies with no public documentation were required to submit a notarized affidavit attesting to their 2013 revenue.

"Being recognized by CRN as a Top Technology Integrator is a tremendous honor. As a solutions provider focusing on Cloud Computing and Big Data, we will continue to push the limits of innovation in the industry, while delivering the highest level of excellence to our customers," states Sunil Mehta, Founder, President and CEO of Orion.

"The annual Solution Provider 500 represents those companies that truly understand the needs of customers today as the IT landscape evolves," said Robert Faletra, CEO, The Channel Company. "With so many options, this list has become an invaluable resource for vendors working hard to navigate the solution provider community and identify the best partner for their business. We congratulate the featured solution providers and look forward to covering their continued success."

A sampling of the 2014 SP500 list is featured in the June issue of CRN Magazine and is featured online at www.crn.com and in the CRN Tech News app, available for iPad and Windows 8.
