

TAMPA, FL, June 22, 2014 /**24-7PressRelease**/ -- As Southeast Sales Manager Brett will manage and coordinate the development of new sales agencies for his territory. In addition, Brett will be responsible for new product penetration, dealer development and generating regional business plans. Brett will maintain and establish relationships with key distribution partners.

Brett brings more than a decade of sales management and account development to his new role with Rinnai. He began his career as outside sales with Southern Pipe & Supply making the President's Club 4 years in a row, which is for the elite salesmen throughout the company. Then working with Cemco Marketing as a Territory Manager specializing in growing the West Coast of Florida and with Tyler Pipe as a Territory Manager and then as the Southeast Sales Manager handling corporate accounts along with independent supply chains. Brett's most recent position was as Southeast Sales Manager with George Fischer.

Rinnai America Corporation is currently the #1 brand in their category; a global leader in innovative plumbing products and heating solutions. Expanding rapidly upward over the last several years, the North American operations embark on a revolutionary path to future expansion. Rinnai continues to dominate the North American market in cutting-edge technology and marketing and has enjoyed tremendous growth over the past 3 years in a down economy.
