

NEW YORK, NY, September 08, 2014 /**24-7PressRelease**/ -- World Risk and Insurance News, Inc. (WRIN.tv), the online video news and information network for the global insurance community, announced today that specialty wholesale insurance broker R-T Specialty, LLC will host a new online video series focusing on challenges faced by the specialty insurance marketplace in Directors and Officers Liability (D&O) and in the Life Sciences sector.

Produced by WRIN.tv in Chicago, the series will feature prominent insurance industry leaders discussing the latest issues affecting specialty D&O risk and insurance, including policy terms, submissions and resolution of claims, and adverse public reports and trial results. The series will also focus on topics relating to the Life Sciences sector, including terminology used in insurance for Life Sciences, coverage for vitamin/mineral supplements and Bio Similar, and the effect of related occurrence language in Life Science policies.

"Insights into the issues affecting the D&O market, and the emerging challenges in the Life Sciences arena, are of enormous value to the insurance industry, particularly to Managing General Agents," said WRIN.tv Chief Executive Officer, Dennis N. Richard. *"We are very pleased to be working with the professionals at RT Specialty on this very important and timely series, as we bring the most up-to-date information to the global risk and insurance industry."*

Tim Turner, President & CEO of R-T Specialty, said, *"This important series on D&O and Life Science will provide WRIN.tv viewers with insights from our global network of specialists and the diverse intellectual capital available at R-T. We have the long-term relationships, resources, specialty expertise and trust that make us a leader in the wholesale brokerage arena."*
