

## Why Do We Hold Veterans Day So Important?

COLLEYVILLE, TX, November 11, 2014 **/24-7PressRelease/** -- Why do we hold Veterans Day so Important? That is actually very simple. The concept of "We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America."

How can this be done as a whole? Only through the sacrifice of the men and women in uniform who willingly lay down their lives and sacrifice their bodies for the good of all. We at McCusker feel that these people who gave so much should be honored and rewarded in as many ways as possible. It is not only the individual who gives for the nation that they love but the immediate and extended family as well. We are honored and privileged to recognize these true heroes whether they served in combat or in a support role.

What can we do? Over the next year, we will be collecting donations and supplies for the support of the "Wounded Warriors Program" and on Thanksgiving, 2015 we will present this support organization with a check for those funds collected over the year. McCusker's Bistro and Lounge will offer to all veterans and active members of the military an immediate discount of 25% as a way of showing our thanks for a job well done.

During this Thanksgiving and Christmas Season we at all McCusker locations will also be acting as a volunteer drop point for the "Toys for Tots" program which is always sponsored by the U S Marines. This effort is one of the most recognized programs in the country to allow children to have the best Christmas possible. Please don't forget others as we move into the season of giving and being thankful.

At McCusker Holding Corp we challenge all businesses in Texas to some special action to support the Military of the United States of America. Semper Fi and for those who do not know what that means. It is "Always Faithful" which has been the call of the USMC thru time.
