

MarketMAPS Introduces an Extensive New Collection of Canadian Maps

Written by Australia Today

IRVINE, CA, December 02, 2014 /24-7PressRelease/ -- [MarketMAPS](#), America's leading source of Business Maps for 28 years, now offers maps of any area in Canada including [provinces, cities and towns](#) as well as custom areas. MarketMAPS promises, "On Target, On Time: you get what you need when you need it". Highly detailed and up-to-date maps are offered as wall maps, digital maps and map books. MarketMAPS data is updated every three months making their Canadian Maps the most up-to-date maps on the market.

[Canada Maps by MarketMAPS](#) can include FSA postal boundaries, Census Divisions, Streets and Highways, with the most up-to-date data available in the market. Every map can be further customized by adding demographics, sales data, customer and competitor locations as well as sales territories and franchise boundaries for increased efficiency in business planning and market evaluation.

All wall maps of [Canadian Cities](#) and [Provinces](#) are available in sizes ranging from 3x4 to 9x12 feet and larger with finishing options for Laminated, Mounted, Magnetic, Framed & more. High resolution Digital Maps are available in PDF and Adobe Illustrator (AI) format. Map books are available in 8.5x11 and 11x17 inches.

According to Dan Olasin, CEO of MarketMAPS, "This is the first time such an extensive collection of Canadian Maps is being offered. Custom Maps of anywhere in Canada are also available." He adds, "MarketMAPS has created over a million maps for businesses and consumers for a wide variety of uses and applications across the world. We are excited to now offer the same quality maps of Canada. We continue to be 'On Target, On Time', delivering the best quality maps of any country around the world."

Businesses and consumers looking for the most accurate and detailed [Canada Maps](#) should visit [Mar ketMAPS](#), contact Client Services at Sales@MarketMAPS.com and call a MarketMAPS Account Representative at 888-434-MAPS (6277).
