entities.

"Wilfred brings to our senior management team a recognized track record of delivering leading edge solutions across Asia Pacific and globally," said Bill Barney, CEO, Reliance Globalcom. "We are pleased to have Wilfred on our team as we continue to expand our network and technology innovations to key markets around the world."

Prior to Pacnet, Mr. Kwan served as Director of Operations for WorldCom Asia Pacific, responsible for overall operational efficiencies such as MTTR, on-time delivery and operations cost. He has also held various management positions with Global One, Lucent Technologies, Motorola and Nortel.

Mr. Kwan has an MS in Electrical Engineering from Cornell University, where he also received his undergraduate degree in the same discipline. Additionally, he has an MS in Financial Management from the University of London.
