

How Do People Post Important Life Events on Facebook?

Written by Business News

When Facebook users share information on important life events, do they prefer to do so directly (detailed status updated or wall posts) or indirectly (photos, change of job title)? How a person chooses to share such news depends on whether the event is positive or negative, according to a new study published in *Cyberpsychology, Behavior, and Social Networking*, a peer-reviewed journal from Mary Ann Liebert, Inc., publishers. The article is available free on the *Cyberpsychology, Behavior, and Social Networking* website until February 20, 2015.
