

PRACEdays15 packed with excellence!

Written by Business News

26/05/2015 — 28/05/2015, PRACEdays15 will be held at the AVIVA Stadium in Dublin from 26 to 28 May 2015. On 25 and 26 May two satellite events will take place, focussing on Exascale European projects and on Women in HPC. The PRACEdays15 conference programme is packed with high-level international keynote speakers, including a talk by RIST, Japan, and many parallel sessions dealing with different HPC topics in science and industry. Back-to-back EESI2 will hold its final conference on 28 and 29 May.
