

STAMFORD, Conn.--([BUSINESS WIRE](#))--Revolution Lighting Technologies, Inc. (NASDAQ:RVLT) ("Revolution Lighting"), a leader in advanced LED lighting technology, today announced that its President and Chief Financial Officer, Charlie Schafer, will present at Craig-Hallum's 4th Annual Alpha Select Conference on September 26, 2013 in New York City.

Schafer will discuss Revolution Lighting's business model, go-to-market strategy, recent acquisitions, financial performance and growth strategy, as well as the broader market opportunity for the LED lighting industry at 10:55 AM EDT.

Robert V. LaPenta, Chairman and Chief Executive Officer of Revolution Lighting Technologies, will also be present at the conference.

This event will include a live audio webcast of the Company's presentation, accessible via the Revolution Lighting website. To listen and view related materials, please visit www.rvlti.com.

A replay will be available for 90 days.

About Revolution Lighting Technologies Inc.

Revolution Lighting Technologies, Inc. is a leader in the design, manufacture, marketing, and sale of light emitting diode (LED) lighting solutions focusing on the industrial, commercial and government markets in the United States, Canada, and internationally. Through advanced technology and aggressive new product development, Revolution Lighting has created an innovative, multi-brand, lighting company that offers a comprehensive advanced product platform. The company goes to market through its Seesmart brand, which designs, engineers and manufactures an extensive line of high-quality interior and exterior LED lamps and fixtures; Lighting Integration Technologies Inc., which sells and installs Seesmart products; Lumificent, which supplies LED illumination for the signage industry; and Relume Technologies, a leading manufacturer of outdoor LED products and smart grid control systems for outdoor lighting applications. Revolution Lighting Technologies markets and distributes its product through a network of independent sales representatives and distributors, as well as through energy savings companies and national accounts. Revolution Lighting Technologies trades on
