

NEW HARTFORD, N.Y.--([BUSINESS WIRE](#))--PAR Springer-Miller, a subsidiary of PAR Technology Corporation (NYSE:PAR) announced today that they received two Bronze Stevie® Awards for their ATRIO® Guest Experience Management Software in two separate categories: the Most Innovative Tech Company of the Year - Up to 2,500 Employees and Tech Innovation of the Year - At Organizations With Up to 1,000 Employees at The 11th Annual American Business Awards held on September 16th in San Francisco.

"I could sense the applause throughout the entire company worldwide, when we learned we received a Bronze Award in two categories. We take great pride in these awards and the realization that we solve many of the issues facing the global hospitality industry through our innovative products and services"

The American Business Awards represent the nation's premier business awards program. All organizations operating in the U.S.A. may submit nominations – public and private, for-profit and non-profit, large and small.

Nicknamed the Stevies for the Greek word for "crowned," winners received the trophies during a gala banquet on Monday, September 16th at the Julia Morgan Ballroom in San Francisco. More than 250 nominees and their guests attended the event.

More than 3,200 nominations from organizations of all sizes and from virtually every industry submitted nominations this year for consideration in a wide range of categories, including Most Innovative Company of the Year, Management Team of the Year, Best New Product or Service of the Year, Corporate Social Responsibility Program of the Year, and Executive of the Year, among others.

PAR Springer-Miller and ATRIO received nominations for Moving Hospitality to the Cloud in both the Most Innovative Tech Company of the Year - Up to 2,500 Employees category and Tech Innovation of the Year - At Organizations With Up to 1,000 Employees category.

"I could sense the applause throughout the entire company worldwide, when we learned we received a Bronze Award in two categories. We take great pride in these awards and the realization that we solve many of the issues facing the global hospitality industry through our innovative products and services," commented Larry Hall, President & CEO of PAR Springer-Miller. "Executives around the world recognize the Stevies as the 'Oscars' for business. We're honored to receive these awards."

Stevie Award winners were selected by more than 320 executives nationwide who participated in the judging process.

"So many remarkable stories of success and innovation were told in the nominations submitted to this year's American Business Awards," said Michael Gallagher, President and founder of the Stevie Awards. "We congratulate all of this year's Stevie Award winners, and thank them for the inspiration provided by their achievements."
