

CLEARFIELD, Utah, Sept. 25, 2013 /PRNewswire/ -- [Lifetime Products](#) will be featured on the popular home improvement show Designing Spaces™ airing on Lifetime TV in the second episode of the military home makeover series

"Designing Spaces of Hope –Project Homeward Bound"

. Tune in on

Thursday, September 26th

at

7:30 am (ET

/PT) as the company provides extra outdoor storage space for Purple Heart recipient

Jeff Taylor

and his family.

The 3-part "*Project Homeward Bound*" series airing on Lifetime TV September 25–27th at 7:30 am (ET

/PT) shows the step-by-step transformation of a dilapidated foreclosed-on house into a completely renovated one for injured soldier Private First Class

Jeff Taylor

and his family. Taylor, his wife and three children have lived in a cramped mobile home facing daily struggles since his return from

Iraq

until Designing Spaces™ and their valued partners like Lifetime Products teamed up to renovate the house.

"Lifetime Products provided a great solution for expanding the Taylor's outdoor storage space and I know the family will enjoy the Shed and start filling it up quickly! We really appreciate Lifetime Products' generosity and are so glad they joined the Project Homeward Bound series to help with this makeover," says Lysa Liemer, Designing Spaces™ on Lifetime Executive VP of Programming and Chief Operating Officer.

Darrin Gunnell, Product Marketing Manager for Lifetime Products, was on site at the home's renovation in Jacksonville, Fla. to give tips on picking out the right shed including consideration of the shed's purpose, size, foundation and materials. The 60095 model shed the Taylors receive has steel-reinforced wall, lockable doors, skylights, shatter-proof windows, an attractive exterior and many other features. It comes in a kit for any DIY'er to assemble where

2-3 people can put it together in 4-5 hours.

Gunnell said, "We are happy to be a part of this project and participate with these great organizations. We hope the Taylor family enjoys many years of storage with our shed."

Catch this segment on September 26th at 7:30 a.m. EST or watch the video [now](#) .

About Lifetime Products Established in 1986, Lifetime Products, Inc. is a privately-held company headquartered in Clearfield, Utah. Starting in the owner's garage, Lifetime Products began by building a better basketball system. This passion for continuous improvement and challenging conventional manufacturing techniques has allowed Lifetime to grow into a global manufacturer and market leader. Today, Lifetime is the world's leading manufacturer of polyethylene folding tables, chairs, and residential basketball hoops. With other offerings from outdoor sheds and composters to playsets and kayaks, Lifetime continues to develop innovative products sold in more than 70 countries around the globe. For more information about Lifetime Products, visit www.lifetime.com .

About Designing Spaces™ on Lifetime Television Entering its 10th year, Designing Spaces™ continues to be one of America's favorite home improvement shows. The show inspires viewers on decorating ideas, do-it-yourself projects and step-by-step home improvements to help make every space count and provide solutions to help you enjoy the space you live, work and play in. Designing Spaces™ Family of Spaces includes *Think Green Spaces*, *Kids Spaces* and it's widely popular *Spaces of Hope* which prides itself on assisting people and places in dire need of a makeover including children's shelters, animal shelters, military families and more. Designing Spaces™ airs Wednesdays, Thursdays and Fridays at 7:30am (ET /PT) on Lifetime Television.
